NetHui 2012

Registrations for New Zealand's most diverse and inclusive Internet-related conference are now open.

Proudly brought to you by InternetNZ, NetHui 2012 - Shaping our Future Together - is being held at Auckland's SkyCity Convention Centre from 11 - 13 July.

Registrations cost a low \$40 including GST and can be made at www.nethui.org.nz [1].

People interested in participating are encouraged to register as early as possible to avoid missing out as the conference is expected to fill up quickly.

An anticipated 500 people will meet for three days of collaborative, community-led discussions on the impact of the Internet and how it is influencing and shaping our society.
